## A TRIBUTE TO THOSE WHO SERVED OUR COMMUNITY

---

**Gloria R. Gammons**

This year saw the passing of Gloria R. Gammons. She served as Town Treasurer for many years and was active in many community organizations including St. Mark's Episcopal Church, the Garden Club, and the Ashland Historical Society. Gloria also spent time volunteering at the Whipple House and baking for various fundraisers.

Gloria's dedication and generosity to her many friends and the Ashland community will be truly missed.

**Clarence "Clancy" Jordan**

Clancy and his wife Mary ran the school transportation service for several years. His support of the youth in Ashland was always greatly appreciated. Clancy was a member of the Green Grove Cemetery Association. He served his country during WWII in the Coast Guard, was a former member of the Ashland Fire Department, a member of the Dupuis Cross Post American Legion, the Ashland Beach Booster Association and the Pemi Valley Fish and Game Club. Clancy was an avid fisherman during his retirement years.

---

## A TRIBUTE TO THOSE WHO SERVED OUR COMMUNITY

---

**Thomas W. Glidden**

Tom spent nine years as a member of the Ashland Utility Commission, served on the Budget Committee, served on the building committee for the Utility and Highway Building and was involved with the Hydroelectric Dam on Squam River. Tom was known for his good sense of humor and for always having a smile on his face. He spent some of his spare time antiquing and helping out his fellow sportsmen by "cutting up" their trophy game, and along with this work came many a story!

These tributes are just a reminder that we are here today, say thank you to someone,  
for we may be gone tomorrow.

## SELECTMEN'S REPORT

---

First, we would like to take this opportunity to give our sincere thanks to all of the dedicated individuals who so generously gave of their time in serving on various town boards and committees and to those who have dedicated their time and energy in a variety of other ways, all to better our community. Ashland is a special place to live, not just for its desirable location, surrounded by beautiful lakes and mountains, but because of its people who are willing to help others in so many ways.

1999 will go down in the history of Ashland as the year that the truth about our fiscally dysfunctional government was finally disclosed. Even though it was reported to the people that the Town had a surplus of funds at the end of each of the past several years, through an extensive reconciliation process it was uncovered that, in fact, we had a deficit that was growing out of control, a deficit which had grown to an amount that had surpassed the entire municipal portion of the town budget for one year.

Even though there is plenty of blame to go around, the people have taken full responsibility to rectify the situation. Through special legislation passed by the State of New Hampshire, the Town of Ashland was granted an opportunity to borrow its way out of debt.

Although an extremely bitter pill to swallow, we lined up at a special voting day last summer to cast our votes. We approved the borrowing of up to \$2,000,000. The challenge now is to keep our spending as low as reasonably possible in order to minimize the increase of the tax rate while still providing the services that the people desire. Clearly, we are not out of hot water until this debt has been completely paid off.

The Thompson Street improvement project, which was delayed by our financial trouble, has now been completed.

The River Street sewer extension project, which has been riddled with a variety of delays, is closing in on a start date.

A group of town employees have been granted membership in a union; this is an area that the selectmen will be working on during the upcoming year.

1999 also marks the year that the people of Ashland chose to end the Town Manager form of government and revert back to the Selectmen form.

1999 was the year that the people adopted Senate Bill #2. This means that, rather than having final budgetary and other decisions made after voting day at an open Town Meeting by only those in attendance, now we will first have a meeting called the deliberative session where we will discuss all the warrants, but the final decision on all articles will be decided after this meeting at the polls on voting day.

In closing, this Board of Selectmen is committed - to establishing policies and procedures that will result in true accountability of all town financial accounts for generations to come; to recovering all funds recoverable through the insurance claim and legal process and to insist that justice be served; to evaluating solutions to various problems we face and to present these ideas to the people; and finally to revitalize the concept of open and honest government for the Town of Ashland. The people deserve no less.

Respectfully Submitted,

Town of Ashland, Board of Selectmen  
Vernon Marion, Chairman  
Thomas Winn, Member  
Tom E. Peters, Member

---

# TOWN ADMINISTRATOR'S REPORT

---

FOR THE YEAR ENDING DECEMBER 31, 1999

Since coming on board as Administrator in July 1999, I have worked with the Board of Selectmen in dealing with a myriad of challenges. Perhaps the greatest challenge is to restore faith of people in their town government and prove we can progress in dealing with the town's business. The Board of Selectmen has proven their commitment to facing these challenges and it has been a pleasure working with them.

The River Street project was successfully addressed and, now back on track, only requires final State approval to be placed out to bid. All pump station easement agreements have been signed and their locations finalized. We are currently working with individual property owners to ensure their awareness of the project's impact on their property as well as on their neighborhood. The Trustees of the Trust Funds are holding \$161,933.84 of town money appropriated for the project and the River Street Operating Account has \$5,182.74 as of December 31, 1999. The Rural Development Administration has maintained its commitment to extend \$1,384,005 in loans and \$1,547,445 in grants to fund the water and sewer project. With its completion, this project will protect Squam Lake from pollution as well as provide superior water and sewer service to the neighborhood. It is our objective to award the bid this spring and have construction completed by December 2000.

The town's deficit situation demanded considerable attention but has been positively addressed through the Board's financial plan and the support of the people. The Bond issue, approved this fall, will permit two million dollars to be financed over a five-year period. Early pre-payment of the Bond is an option so any funds recovered can be applied to the debt without penalty. Of course, discovery of the deficit caused the Selectmen to trim down and reconsider all services the town provides. Emergency measures were installed to ensure all expenditures were only for those programs now approved by the Board. Completing of some projects were placed on hold until the Bond was approved and cash made available.

The Thompson Street construction project was affected and temporarily stalled by the lack of cash. Providing water and sewer services to this neighborhood was again in keeping the town's desire to protect its natural resources from pollution. Construction was originally estimated to cost \$270,600.00. The project was completed this fall at a construction cost of \$292,969.91 with most of the overruns attributed to unforeseen amounts of ledge that had to be blasted and removed to complete the project. Overall, the total cost of the project is at \$416,324.86 with some additional administrative costs attributable to closing the \$350,000 grant anticipated.

The budgeting process for the year 2000 will reflect a trimmer budget aimed at maintaining quality services with the utmost of efficiency. I hope you will take the time to review the budget, attend the deliberative session, and vote on March 14<sup>th</sup>.

Thomas R. Gaydos

And to further authorize that said Trust funds shall be managed by both the Ashland Town Trustees and the Ashland Memorial Park Board of Trustees, consisting of a total of seven (7) members, who shall have full power and authority to invest and reinvest the initial Trust principal, and any interest or residue thereon, all to the benefit of said Trust and the general purpose stated herein;

And to further authorize that said principal of the Trust shall be used only for investment and reinvestment purposes.

And to further authorize that said Ashland Memorial Park Trustees shall have the exclusive and full power and authority to spend, disburse and use the interest and residue earned on the initial Trust fund principal for the purpose as set forth in said Trust and the general purpose stated herein which shall primarily be to preserve, protect, maintain and care for the Ashland Memorial Park and its related property in perpetuity for the use and enjoyment of the general public;

And to further authorize that said Trustees shall account for the receipts and disbursements and investments and improvements to the Ashland Memorial Park properties annually to the Board of Selectmen, and at such more frequent times as said Board of Selectmen may require; Said Trustees shall give bond to the Town for the faithful discharge of their duties in such amount and with such surety as said Board of Selectmen may deem necessary and approve;

And to further authorize that the said Ashland Town Trustees and Ashland Memorial Park Board of Trustees shall be authorized and empowered for and in the name of the Town of Ashland to receive said Trust funds;

And to further authorize that the said Ashland Memorial Park Board of Trustees shall have full power and authority to enforce the terms and conditions of the Ashland Memorial Park Trust, including the power to amend said Trust as may be required, from time to time, provided no such amendment includes a provision to spend or disburse the principal of the Trust, and provided such amendments are not in conflict with the general purpose of said Trust and this Warrant Article.

Following discussion, this article was declared adopted by voice vote with no dissent.

**ARTICLE 8.** It was moved by Thomas Winn, seconded by Vernon Marion to appoint a Covered Bridge Inspector whose duties shall be outlined by the Board of Selectmen.

Following discussion, this article was declared adopted by voice vote, with dissent.

**ARTICLE 9.** It was moved by Thomas Winn, seconded by Vernon Marion to accept the following Noise Ordinance:

It is found and declared that:

- A. The making and creation of loud, unnecessary, unreasonable or unusual noises within the limits of the town of Ashland is a condition which has existed for some time and the extent and volume of such noises is increasing:
- B. The making, creation, maintenance or continuation of such loud, unnecessary, unreasonable or unusual noises which are prolonged, unusual, unreasonable or unnecessary in their time, place, use and effect are a detriment to the public comfort, repose, health, peace, safety, convenience, welfare and prosperity of the residents of the town of Ashland; and
- C. The necessity and the public interest for the provisions and prohibitions hereinafter contained and enacted is a matter of legislative determination and public policy, and it is further declared that the provisions and prohibitions hereinafter contained and enacted are in pursuance of and for the purpose of securing and promoting the public comfort, repose, health, peace, safety, convenience, welfare and prosperity of the town of Ashland and its inhabitants.

Certain noise restricted.

It shall be unlawful for any person, firm or corporation to make, continue or cause to be made or continued or to allow to be continued any loud, unreasonable noise or any noise which would annoy, disturb, injure or endanger the comfort, repose, health, peace, safety, convenience, welfare and prosperity of a reasonable person within the limits of the town of Ashland.

- A. "Loud unreasonable noises" shall include but not be limited to, any noise occasioned by any one (1) or more of the following actions of the operator of a motor vehicle operated within the town of Ashland:
  - (1) Misuse of power exceeding tire traction limits in acceleration, sometimes known as "laying down rubber" or "peeling rubber."
  - (2) Misuse of braking power exceeding tire traction limits in deceleration where there is no emergency.
  - (3) Rapid acceleration by means of quick downshifting of transmission gears with both a clutch and manual transmission or an automatic transmission.
  - (4) Rapid deceleration by means of quick downshifting of transmission gears with both a clutch and manual transmission or an automatic transmission.
  - (5) Racing of engines by manipulation of the accelerator, gas pedal, carburetor or gear selection, whether the vehicle is either in motion or standing still.
  - (6) The operation of a mobile refrigeration unit or other types of compressors between the hours of 8:00 p.m. and 7:00 a.m. while the vehicle is not in motion, except for emergency use or while actually loading or unloading.
  - (7) Making loud or unreasonable noises by operating any mechanically powered saw, grinder, drill, lawn mower or garden tool or similar device used outdoors, with the exception of snow removal equipment, between the hours of 10:00 p.m. and 6:00 a.m. Monday through Saturday and between the hours of 10:00 p.m. and 10:00 a.m. on Sunday.

- (8) Making loud or unreasonable noises by loading, unloading, opening, closing, or otherwise handling boxes, crates, containers, building materials, trash cans, dumpsters, or similar objects between the hours of 10:00 p.m. and 6:00 a.m.
- B. Any person who is the owner or a tenant or a resident or otherwise in control of any house, apartment, condominium unit, structure or any other property located within the town of Ashland shall be responsible and liable for any loud, unreasonable noises created by one (1) or more persons gathered on said property which disturbs the public comfort, repose, health, peace, safety, convenience, welfare or prosperity of a reasonable person of the town of Ashland. Further, any person who is the owner, tenant, resident or otherwise in control of any house, apartment, condominium unit, structure or other property located within the town of Ashland is responsible and liable for any loud, unreasonable noises if he permits or allows any gathering of one (1) or more persons to continue to make loud, unnecessary, unreasonable or unusual noises upon such property after having been advised of the disturbing affects such noise is having on any other resident of the town and said noise then continues to disturb the public comfort, repose, health, peace, safety, convenience, welfare and prosperity of a reasonable person of the town of Ashland.

#### Violations and penalties.

Any person who violates any of the provisions of this chapter shall be guilty of a violation and penalty upon him not to exceed the sum of one hundred dollars (\$100). Such person shall be deemed to be guilty of a separate offense for each and every day during any portion of which any violation of this ordinance is committed, continued or permitted by such person and shall be punishable therefor as provided herein.

An amendment was offered by Lee Avery to change A#7 to read 9AM on Sunday instead of 10 AM on Sunday. This amendment was rescinded.

An amendment was offered by Robert Boyle, seconded by Ann Reeve to have #7 read as follows: Making loud or unreasonable noises by operating any mechanically powered saw, grinder, drill, lawn mower or garden tool or similar device used outdoors between the hours of 10:00 PM and 6 AM Monday through Saturday and between the hours of 10:00 PM and 9 AM on Sunday. The only exception to the above is the use of snow removal equipment, which may be used anytime.

Following discussion on the amendment it was declared passed by voice vote with dissent.

Following discussion on Article 9 as amended, the article was declared defeated by voice vote.

**ARTICLE 10.** It was moved by Thomas Winn, seconded by Vernon Marion to accept the following snow plow regulation: Any person who shall put or place or cause to be put or placed any snow or ice upon the traveled surface of any town roadway for any purpose or on private property so that the snow interferes with the use of the private property shall be punished by a fine up to \$250.00 for each violation.

An amendment was offered by Thomas Winn, seconded by Vernon Marion to have the article read: to accept the following snow plow regulation – any person who shall put or place or cause to be put or placed any snow or ice upon the traveled surface of any town roadway or on private property or on any sidewalk so that the snow interferes with the use of the private property shall be punished by a fine up to \$250.00 for each violation.

Following discussion, the amendment was passed by voice vote with dissent.

A second amendment was offered by Skip Fields, seconded by Edward Hubbard, to add "so as to cause a nuisance or safety hazard" after *snow and ice* and before *upon the traveled surface*. Following discussion this amendment was passed by voice vote with dissent.

Article 10 as amended – to accept the following snow plow regulation: any person who shall put or place or cause to be put or placed any snow or ice so as to cause a nuisance or safety hazard upon the traveled surface of any town roadway or on private property or on any sidewalk so that the snow interferes with the use of the private property shall be punished by a fine up to \$250.00 for each violation.

The article as amended was declared passed by voice vote with dissent.

**ARTICLE 11.** It was moved by Thomas Winn, seconded by Vernon Marion to raise and appropriate the sum of twenty thousand dollars (\$20000) to be placed in the Memorial Park Trust Fund, and to authorize the town to accept a donation in that amount from the Memorial Park Committee; no monies are being raised for this purpose through general taxation. Following discussion, the article was declared passed by voice vote with no dissent.

**ARTICLE 12.** It was moved by Thomas Winn, seconded by Vernon Marion to create a new trust fund in accordance with RSA 31:19-a, to be known as the Firemen's Trust Fund, and to authorize the acceptance of a gift from the Ashland Firemen's Association in the sum of \$5,000.00 to be deposited in that fund. The article was declared passed by voice vote with no dissent.

**ARTICLE 13.** It was moved by Thomas Winn, seconded by Vernon Marion to create an expendable trust fund as per RSA 31:19-a for the purpose of the maintenance and restoration of the Civil War monument, to appoint the Board of Selectmen as agents to expend from that trust and to see if the town will vote to raise and appropriate the sum of \$6,000.00 by general taxation to be placed in that fund. Following discussion, the article was declared passed by voice vote with dissent.

**ARTICLE 14.** It was moved by Thomas Winn, seconded by Vernon Marion to raise and appropriate the sum of five thousand (\$5,000) to be placed in the Highway Department Equipment Capital Reserve Fund.  
The article was declared passed by voice vote with dissent.

**ARTICLE 15.** It was moved by Thomas Winn, seconded by Vernon Marion to raise and appropriate the sum of five thousand (\$5000) to be placed in the Police Department Capital Reserve fund.  
The article was declared passed by voice vote with dissent.

**ARTICLE 16.** It was moved by Thomas Winn, seconded by Vernon Marion to raise and appropriate the sum of five thousand dollars (\$5000) to be placed in the Fire Department Equipment Capital Reserve Fund.  
The article was declared passed by voice vote.

**ARTICLE 17.** It was moved by Thomas Winn, seconded by Vernon Marion to raise and appropriate the sum of four thousand dollars (\$4000) to be used in addition to the twelve thousand dollars (\$12,000) raised at the 1998 Annual Town Meeting and encumbered at year end by the selectmen to construct a sidewalk on Main Street from the Pemigewasset National Bank to the intersection of West Street and on West Street from Main Street to the Ashland Lumber Property. The total cost of this project from both years will be sixteen thousand dollars (\$16,000).  
Following discussion, the question was moved and the article was declared passed by voice vote with dissent.

**ARTICLE 18.** It was moved by Thomas Winn, seconded by Vernon Marion to raise and appropriate the sum of two thousand three hundred fifty dollars (\$2350) to repair the sidewalk on Main Street in front of the Common Man Restaurant.  
Following discussion, the article was declared passed by voice vote.

**ARTICLE 19.** It was moved by Thomas Winn, seconded by Vernon Marion to raise and appropriate the sum of twenty four thousand five hundred dollars (\$24,500) for the purchase of a police cruiser through general taxation.  
The article was declared passed by voice vote.

**ARTICLE 20.** It was moved by Thomas Winn, seconded by Vernon Marion to authorize the prepayment of property taxes and to authorize the Tax Collector to accept such prepayment as provided by RSA 80:52-a.  
Following discussion, the article was declared passed by voice vote.

**ARTICLE 21.** It was moved by Thomas Winn, seconded by Vernon Marion to authorize the Board of Selectmen to sell surplus or obsolete supplies and equipment by public auction or sealed bid or transfer items of historical significance to the Ashland Historical Society without further vote of the Town.  
The article was declared passed by voice vote.

**ARTICLE 22.** It was moved by Thomas Winn, seconded by Vernon Marion to authorize the Board of Selectmen to transfer town owned property located in the town of New Hampton, formerly used as the town water source, to Dana Torsey on such terms and conditions as the Selectmen deem appropriate.  
Vernon Marion moved to amend the article to include *or abutters* after Dana Torsey. Seconded by Thomas Winn.  
Following discussion, the amendment passed by hand vote with dissent.  
Edward Hubbard moved to amend the amendment to include *or others* after *or abutters*. Seconded by Dick Farrell.  
Following discussion, the amendment passed by voice vote with dissent.  
The article as amended, was declared defeated by hand vote.

**ARTICLE 23.** It was moved by Thomas Winn, seconded by Vernon Marion to authorize the Board of Selectmen to transfer to David and Lisa Cross town owned property located on Cross Road abutting property now owned by David and Lisa Cross on such terms and conditions as the Selectmen deem appropriate.  
Following discussion, the article was declared passed by voice vote with no dissent.

**ARTICLE 24.** It was moved by Thomas Winn, seconded by Vernon Marion to authorize the Board of Selectmen to enter into a long-term lease of property located on Main Street owned by Foley Oil Company. The property is to be utilized for town parking purposes, and also town owned vehicles will have access to underground fuel tanks located on the property. This lease shall be on terms and conditions as the selectmen deem appropriate with a condition of the lease being that the town use Foley Oil as its sole provider of petroleum products of these tanks.  
Following discussion, the article was declared defeated by voice vote.

**ARTICLE 25.** It was moved by Thomas Winn, seconded by Vernon Marion to accept the Reports of its Boards, Commissions, Committees and Officers for the year 1998 subject to corrections of errors when and if found.  
The article was declared passed by voice vote with no dissent.

**ARTICLE 26.** It was moved by Edward Hubbard, seconded by David Ruell to raise and appropriate the sum of \$5,799,478.00 which represents the operating budget. Said sum does not include the monies previously voted in Articles 12 through 19.  
The article was declared passed by voice vote with no dissent.

**ARTICLE 27.** It was moved by Thomas Winn, seconded by Vernon Marion to transact any other business that may legally come before said meeting.

- Thomas Winn emphasized the fact that this would be the last "town meeting" as we now it due to the passing of RSA 40:13.

- Thomas Winn recognized Dr. Glenn W. Bricker for his two years of service to the town as selectman.

- Harold Baker complimented Tony Randall and Dan Uhlman for the excellent job on the perambulation of the town lines. He hoped that the selectmen would address the need of new markers and brass plates at some of the boundary lines.

- A standing ovation was given to Rosemarie McNamara, who is retiring after twenty-four years of service to the Town of Ashland.

There being no further business the meeting was adjourned at 3:18 PM.

Patricia Tucker  
Ashland Town Clerk  
March 13, 1999

## SPECIAL TOWN MEETING DELIBERATIVE - 08/24/99

---

Moderator Glenn Dion called the deliberative session to order at 7:00 PM.

Vernon Marion moved "To see if the Town will vote to raise and appropriate, up to the sum of Two Million Dollars (\$2,000,000) to address the Town's general fund deficit, and to authorize the issuance of not more than Two Million Dollars (\$2,000,000) of bonds or notes for a term not to exceed five years in accordance with the provisions of the Municipal Finance Act, RSA 33 and Chapter 134 of the Laws of 1999 (HB 745); further, to authorize the board of selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take all other actions reasonably necessary to give effect to this appropriation. Four hundred forty eight thousand, nine hundred and forty dollars (\$448,940) of the bond will be applied to abatements. The selectmen recommend this appropriation. The budget committee does recommend this appropriation. 3/5 majority vote required to pass. This was seconded by Thomas Peters.

Discussion followed, at 7:57 PM, Moderator declared the deliberative session closed and announced that voting on the question will be September 28, 1999 from 9 AM to 7 PM.

Patricia Tucker  
Ashland Town Clerk

---

## SPECIAL TOWN MEETING - SEPTEMBER 28, 1999

---

In accordance with the legally posted warrant the voting session of the Ashland Special Town Meeting was declared open at 9AM by Moderator Glenn Dion. The polls were closed at 7PM, the absentee ballots were cast at 1PM.

The election officials present were – Supervisors of the Checklist Beverly Ober, Douglas Ober, Joanne Hrdlicka; Ballot Clerks Marion Merrill, Nancy Barry, David Ruell, Guinevere Newton; Moderator Glenn Dion; Town Clerk Patricia Tucker.

Following the close of the polls Ballot Counters David Ruell, Marion Merrill, Robert Boyle, Maureen Evleth, Anne Abear, Gwendolyn Randall, Ellison Badger and Mardean Badger were sworn in.

### Article 1:

Are you in favor of raising and appropriating up to the sum of Two Million Dollars (\$2,000,000) to address the Towns general fund deficit, and to authorize the issuance of not more than Two Million Dollars (\$2,000,000) of bonds or notes for a term not to exceed five years in accordance with the provisions of the Municipal Finance Act, RSA 33 and Chapter 134 of the Laws of 1999 (HB 745); further, to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and to take all other actions reasonably necessary to give effect to this appropriation. Four hundred forty eight thousand, nine hundred and forty dollars (\$448,940) of the bond will be applied to abatements.

The Selectmen recommend this article. The Budget Committee does recommend this article. Three-fifths (3/5)-majority vote required passing.

YES	312	NO	158

## WATER AND SEWER DEPARTMENT

---

1999 has seen continuing improvements to the Water and Wastewater Departments. A 1500-foot section of water main was replaced on Thompson Street. The sewer in that section was repaired at the same time. The replacement and extension of the water system on River Street should begin next year. The sewer system will be extended at the same time as the water system. Installation of the new water meters continues, with the anticipated completion of this sometime in 2000.

We have received complaints of spotting on vehicles and a white precipitate on plumbing fixtures. We are working on this problem, as well as the lead and copper problem both with the New Hampshire Department of Environmental Services (NHDES) and outside consultants.

The wastewater treatment facility has been brought into compliance with the exception of color. This problem is being addressed with the help of NHDES and the United States Environmental Protection Agency.

This department lost a valued employee, Russell Cross Jr., who decided to take a similar position in a neighboring town. His services and enthusiasm will be missed. We thank him for his contributions to the department.

Both departments continue to strive to improve the service to our customers and thank them for their understanding and cooperation during the past year.

Respectfully,  
Stephen H. Stankus  
Water and Sewer Superintendent

# ASHLAND FIRE AND RESCUE DEPARTMENT

As I start this report, it comes at a very tragic time for the Fire Service; the Worcester Massachusetts Fire Department has just lost six firefighters in the line of duty. It makes our department reflect on how dangerous a situation can become so fast. I believe we are very fortunate to have a group of firefighters that are so dedicated to assure our community is protected in the most efficient and effective manner. Looking back at my tenure in the fire service, I have seen many incidents that could have resulted in the same outcome that occurred in Worcester. I believe that is why it is so important to keep our firefighters educated in the latest technology and to provide them with the essential tools to perform their jobs.

The Ashland Fire Department has experienced another busy year; our calls for service are on the rise with continued increase in Emergency Medical calls. Other activities of the Fire and Rescue Department this year included the Rescue Squad Bicycle helmet giveaway. This was done in conjunction with the Ashland Police Department early in the spring. We continue on our endeavor of Life Safety code inspections and inspections of other types required by ordinance and State Fire Code. During Fire Prevention Week, the firefighters were at the school and we had classes visit the fire station to educate the students on the importance of fire safety awareness and other aspects of the fire service. We continue on a weekly basis to work with community organizations to help promote our endeavor on fire safety.

As we all realize it has been a very difficult year financially for all town departments, the Fire and Rescue Department will continue to do our best to assure that the taxpayers money is spent in the most efficient manner. We will continue to have fundraisers in an attempt to offset costs that are associated with the fire service. I believe that with Christmas tree sales, car washes and other fundraisers, along with generous donations, we are doing our share to offset some of the expense.

This year the Ashland Fireman's Association Women's Auxiliary ran another successful Operation Santa Claus for families that were in need during the holiday season. In closing, I would like to thank the members of the department, other town departments and employees, along with the administration and residents for their support over the past year.

Respectfully submitted,  
Norman S. Weden, Fire Chief

## ASHLAND HIGHWAY DEPARTMENT

---

The year of 1999 was a repeat of 1998. The money problems of the town still remain unsolved. The only major project done by the department was to finish the paving and the slope work on Thompson Street.

The highway crew were busy throughout the year with maintenance projects including – street sweeping, road grading, ditch cleaning, roadside mowing, patching roads.

I would like to take this opportunity to thank the citizens of Ashland for their patience as the town tries to get a handle on the budgetary problems.

Mark W. Ober  
Highway Agent

---

### **PEMI-BAKER SOLID WASTE DISTRICT**

During the year of 1999 I became Ashland's representative to the Pemi-Baker Solid Waste District after the passing of Arnold Cummings. Arnold served on this board for several years and is missed by all who knew him.

Once again the Pemi-Baker District held a Household Hazardous Waste Collection Day. The Collection was a great success and another day is planned for 2000. Notices as to the time and place of this collection will be posted in newspapers and at the town office. Money collected by the District in the form of dues goes toward paying for the disposal of hazardous waste. Types of waste that can be collected by the town during the year are paint, batteries and fluorescent light tubes. Other hazardous waste must be kept until the Household Hazardous Waste Day is held.

Mark W. Ober, Representative

---

### **RECYCLING AND TRANSFER STATION REPORT**

The Center handled 266 tons of recycled materials during 1999. If this material had been taken to a landfill site, the fees would have been over \$17,000. The transfer center also processed 625 tons of household rubbish and 120 tons of construction and demolition materials.

Recycling has come a long way since we started the program. We owe you, the citizens of Ashland, a big thank you for doing a fine job of complying with the recycling ordinance.

Mark W. Ober

---

# INSPECTOR REPORTS

---

## **BUILDING INSPECTOR**

1999 has proven to be a very energetic year for Ashland building, 108 permits have been issued since January 1, with 6 new housing starts, 65 building permits make 1999 the most active year for Ashland building in a decade. Income from permits totaled \$4852.98 as of December 9, 1999.

*Building Permit History Only: 1992 – 48; 1993 – 48; 1994 – 51; 1995 – 35; 1996 – 34; 1997 – 50; 1998 – 29*

Nine new septic approvals were issued by the state, this is a good indicator of future growth. Our office is working on updating our permits and entering building permit data going back to 1984.

Inspection, site planning and conference calls have increased this year. We have received many inquires for building regulations and information regarding new business and zoning. New warrant articles have been submitted for updating the Building BOCA Codes to current 1999.

1999 Permits: Building – 65; Electrical – 20; Plumbing – 20; Oil Burner – 7; Driveway – 2; Sign – 2; Demolition – 1; Mobile Home – 1

Bob Hicks, Building Inspector

## **ELECTRICAL INSPECTOR**

We had over 20 permits issued that called for inspections, a few less than last year. We are all becoming more aware of the dangers of faulty electrical systems and are taking steps to improve the safety on our properties.

Francis L. Murdock, Electrical Inspector

## **PLUMBING INSPECTOR**

This year I have done fifteen plumbing permit inspections starting from July 1999 when I was appointed Plumbing Inspector. I have done four rough and three finish commercial inspections, along with five rough, three finish residential permit inspections and five occupancy permit inspections. I have also followed up on some leftover inspections from the previous year.

In accordance with the size of some of the jobs, a number of inspections were required as work progressed.

Respectfully submitted,  
Lee C. Bavis, Plumbing Inspector

---

# ASHLAND PARKS AND RECREATION

---

I would like to thank the residents of Ashland for making the transition to a new Director so easy. As many of you know, Jeff Porter resigned at the end of May, when he passed the torch onto me. I was very excited to be offered the position of Recreation Director by the Selectmen, as the Town of Ashland has much to offer its residents. Unfortunately, in this tough economic year one of my first tasks was to downsize the budget and with it went many programs that I was hoping to offer. Although it was a difficult task, I am pleased to report that the major programs offered in the past did survive, and we have a solid foundation on which to rebuild the department.

Since June, I have been able to make some subtle improvements to increase the quality of the Parks & Recreation Department. Some of these include: we established a Recreation Committee to assist in providing valuable programming. We performed safety checks on the Booster Club, the beach and the playground, and noted, updated, or repaired many things. I implemented a regular playground safety inspection in order to increase overall safety for our youth. We examined departmental policies and they are in the process of being updated. I have become a member in the National Recreation and Park Association (NRPA) and the New Hampshire Recreation and Park Association (NHRPA) which has become a valuable resource as I continue to look into offering more programs to meet your needs. I have worked to establish an up-to-date calendar of scheduled events in the town's recreational facilities, including a database on regular users. We hope to build upon and add to these improvements in the future.

The summer recreational season kicked off with the mid-June opening of the Edward Doggett Beach. The beach was officially open from 9-5 seven days a week; 6,018 visits were registered throughout the summer with the daily average at 87. While the entrance fees remained the same for residents, the Selectmen voted to increase non-residents fees from \$3 to \$6 for a daily individual pass and from \$50 to \$100 for a family season's pass. The result of this was far fewer non-residents at the beach, which is reflected in the number of season passes sold; 9 out of the 104 were held by non-residents. There is much erosion at the beach and we are looking into the causes and remedies. A wide variety of people utilized the beach this summer, from the occasional family passing through, to the daycampers, to the ever-helpful beach ladies.

This summer we were again able to offer the popular summer day camp programs. Due to several factors, there was much less participation this year. Before the camps began the staff spent four days of pre-camp training which included: Red Cross Community CPR and First Aid Certification, up-to-date insights on dealing with children, as well as the day to day procedures. This year's day camp staff worked together very well to provide a quality program. We had a total of 39 children participate in the day camps. We were able to offer them swim lessons, beach days, arts & crafts, and games. Each week the camps had a different theme that the activities revolved around. The most popular theme week was the circus week where all of the staff and campers worked together to put on a circus for their parents; this event made it to the front page of the Record Enterprise. We held a July 4<sup>th</sup> strawberry shortcake sale and a bake-sale during the Day in the Park Celebrations. These two fundraisers made it possible for the children to go on a field trip to Whale's Tale Water Park in Lincoln, NH during the last week of camp. An end of the season a potluck/barbecue party was offered for the families that had attended camp. Everyone enjoyed it, and we hope it will become a tradition.

There were several other programs that were offered in 1999. In the spring, tee-ball was offered to many of our younger residents. A walking program and a weekly tennis round-robin met with little success; these programs will be re-examined to determine why they did not succeed and may be offered again with the needed changes. I hope to be able to offer more programs that will serve everyone in the community. Please let me know what you would like to see!

Many thanks go out to those who volunteered their valuable time and resources in making this year a success. The department received many donations of craft items, dress-up clothes, time, and financial resources. This year's programs would not have been possible without your support!

Respectfully submitted  
Jessica A. Bickford  
Ashland Park & Recreation Director

---

## ASHLAND ELECTRIC DEPARTMENT

---

During 1999 the electric department set fourteen (14) poles, ran eleven hundred eighty one (1181) feet of secondary wire, nineteen hundred ninety three (1993) feet of primary wire and added six (6) new customers.

We were very fortunate during several windstorms to have limited outages of no more than three (3) hours per customer at any given time. I contribute this to our tree trimming program and the strong system that we have built over the years.

The year 2000 should be an exciting year as we enter the last year of our contract with Public Service of New Hampshire. We should start to see a roll back on our bills this year and hopefully even more starting in 2001. Currently we are talking to several companies about energy supply starting 2001.

Lee V. Nichols  
Electric Superintendent

---

## FOREST FIRE WARDEN & STATE FOREST RANGER

---

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing **ANY** outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Land, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violation of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing **ANY** outside burning.  
REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

### 1999 FIRE STATISTICS (All Fires Reported thru December 10, 1999)

---

## ASHLAND POLICE DEPARTMENT

---

This was a year of change for the department, with Officer Gary Prince leaving in March to join the New Hampshire State Police, and Officer Greg Mangers leaving in July to join the Moultonboro Police Department. We all wish them both every success and great happiness in their new jobs. Both of these fine officers were a valuable and much needed part of the department, which was left with only five officers to do the job that previously required seven. As a comparison, in 1990 the department had five officers and 118 criminal cases; in 1999 there were 302 criminal cases alone. While we realize and have experienced first hand the financial problems the Town is facing, we hope the voters will support filling a least one of these vacant positions this year in order to maintain a reasonable level of safety and quality of life for all our residents.

During this past year, the department has received training through courses ranging from firearms training to Community Oriented Policing. These courses were presented and or certified by the Police Standards and Training Council, the New Hampshire State Police, the New Hampshire Municipal Association, Compensation Funds of New Hampshire, and the Office of the New Hampshire Attorney General. All of the courses were selected to provide our officers with current, up-to-date training to meet the constantly changing challenges of law enforcement, and to better serve the community.

As the year progressed, the department was involved in many of the events enjoyed by the town, such as the Memorial Day Parade, the Fourth of July Parade and fireworks, the Ashland School Halloween Parade and Halloween night, and the Christmas Night in Ashland festivities, all of which were enjoyed by many residents and visitors alike.

In December, we were pleased to receive the "old" computers from the Town Office when they received new ones. This brought us into "Y2K" compliance and allowed us to make a problem free transition on December 31, 1999.

Throughout the year we have continued to work towards implementing more of the goals that were identified in the management study of the Police Department that was conducted by the New Hampshire Association of Chief's of Police Professional Standards Committee in 1998. While staff reductions and the Town's financial problems have impacted our ability to progress in many areas, we are still working with the study to improve operations and our service to the Town.

Statistics for 1999 show that our total activity for the year was down 7% from 1998. Service calls were down 7.7%, Motor Vehicle Cases were down 8.5%, Criminal Cases decreased only 2.4%, and Juvenile Cases were down 37.5%. Due to staff reductions, foot patrols were down 38.1%, but business checks (one of our priorities) was down by only .8%.

Again this year the statistics show that calls for service still out-number criminal investigations, and we will persevere in our efforts to see that this continues.

As we reflect back on 1999, we would like to recognize and express our sincere thanks to all the local, county and state agencies that provided us assistance. We will continue to be ready and willing to provide help when called by any of our neighboring towns or other agencies. In closing, we would like to thank everyone for their assistance and support, and we look forward to serving you in 2000.

Respectfully Submitted,  
Cameron Brown, Chief of Police

# ASHLAND MEMORIAL PARK

---

During the past year, many of our hopes for the Park have materialized.

The warrant article setting up the Ashland Memorial Park Trust fund was passed by the voters. Some of the wording of the article was not approved by the State, so another article will be on the ballot this year. There is no change of intent. The new article only makes the wording acceptable to the State Office of Charitable Trusts.

The funds already held by the Town Trustees in the Memorial Park Trust Fund were increased by the transfer of \$20,000 raised by the committee in the last few years and by a gift of stock worth \$6,800, donated by Russell Orton, a former resident of the town. Along with the bequest of James Rollins, the principal of the Trust is about \$50,000. This amount is expected to generate enough income annually to maintain the Park.

A recent gift of \$5,000 by the Sarah S. MacMillan Foundation, made by her daughters in memory of their mother, will be held as a buffer for the maintenance of the Park.

The Park Trustees undertook the management of the park in May and hired professional help. They have accomplished much within the limits of the funds available during the year. More improvement is planned for the coming year. A columnar maple tree has been planted in memory of James Rollins, park designer and former committee member. A commemorative plaque will soon be placed near the tree.

The Trustees are pleased that their goal has been realized and that funds will be available to maintain the park without the use of tax moneys. Many thanks are extended to all who have contributed over the years in many ways. Thanks are also extended to those who have volunteered their services, particularly members of the Ashland Garden Club and the Ashland Beautification Committee.

Now let us delight in this lovely place of restful beauty on the Squam River in the center of town with the assurance that it will always be proudly maintained.

# ASHLAND FOURTH OF JULY ANNUAL REPORT

---

Because July 4, 1999 fell on a Sunday, the Committee struggled to find a schedule that would please everyone. After several plans were examined, they decided upon a one-day program on Saturday July 3. Starting a little early with the pancake breakfast followed by the parade, the morning events did not interfere with shopping on Main Street and church services were not upset. The evening events of the lobster and chicken dinners, entertainment and the fireworks display fit nicely into Saturday evening and enabled us to negotiate on the display. As an added bonus, for the first time in many years, members of the committee were not working all day on the Fourth and enjoyed a leisurely weekend.

To help the town's cash-flow problem, the usual patriotic appropriation voted in the spring was not requested.

Helen Knowlton was this year's Parade Marshal, driven by Al Allard. PeeWee Duguay followed, driven in a golf cart by his grandson, Matthew Duguay.

The Committee is always looking for new volunteers. Why not join the fun and get a whole new view on how to celebrate the Fourth of July.

## Financial Report

Balance 01/01/1999	\$ 6337.25

# CONSERVATION COMMISSION REPORT

---

The Ashland Conservation Commission continues to meet monthly to address issues concerning wetlands and other conservation issues in the Town of Ashland. The Commission now meets on the first Saturday morning of the month at 8:30 AM at the Ashland Town Hall. Our current members are Ruth Knapp, Gerry Chouinard and Sandra Jones (Chair). At our last meeting of the year, Melissa Laverack has been recommended for appointment to the Commission. There are still vacant seats on the commission if any Ashland resident is interested in serving please feel free to express your desire to the town office or attend any meeting.

The Commission continues to make fact sheets produced by the NH Department of Environmental Services (DES) available to the public in a stand up file at the town hall. There are also two copies of the book; Good Forestry in the Granite State: Recommended Voluntary Forest Management Practices for NH available on loan to anyone interested. Shoreland owners who are considering doing any work to their docks or lake/river frontage, are strongly encouraged to discuss their plans first with a representative at DES. The Department has a person available everyday to answer the public's questions about such things as Wetland Applications and the Shoreland Protection Act regulations in which waterfront landowners must comply. The phone number there is (603) 271-2147.

At our December meeting the Commission voted to join the Ashland Historical Society in supporting an article that will be on this year's warrant. The article is simply a statement that, if passed, will show the State of New Hampshire that the Town of Ashland wants to see our state create a public/private fund for land conservation and historic preservation. This fund would make grants, block grants and loans available to communities.

The state legislature has already funded a commission called the NH Land and Community Heritage Commission, to study whether there was a need or interest among the communities for such a fund. Over the last two years, the Conservation Commission and the Historical Society were asked for input by this commission to identify land and structures that we as a community may want to preserve sometime in the future. Every town in the state was asked for their input and it was concluded that many communities would welcome the financial assistance to support voluntary land conservation and historic building preservation projects.

The Commission urges you to vote yes on this resolution so our state legislature will be convinced that the people of New Hampshire want to invest in our state's natural and historic beauty. As a commission we feel there couldn't be a better time in New Hampshire's history to establish such a fund, we hope you agree.

Wishing you a wonderful year 2000, until next year,

Sincerely,

Sandra Jones, Chairperson

*For more information on the NH Land and Community Heritage Commission's report calling for a new public/private fund for natural, cultural and historic resources see their website at [nhlchc.conknet.com](http://nhlchc.conknet.com) or write PO Box 697 Concord, NH 03302-0697.*

---

## TOWN WELFARE REPORT

---

### (Emergency Assistance)

Town welfare dollars have leveled over the past several years, dozens of our citizens received emergency assistance for housing, fuel, electric, medical, and food costs, with housing continuing to be the greatest need.

Emergency assistance, paid in vouchers, totaled \$6,985.75. As of December 9, 1999 – Housing costs – \$5051.51; Electric Utility - \$1,234.72; Food - \$435.00; Medication - \$265.52.

Continuing to help through difficult times is a challenging and rewarding task.

Robert B. Hicks  
Welfare Officer

---

## ASHLAND TOWN LIBRARY

---

1999 has been a busy year at the library. The monumental task of preparing the collection to go on line, known as "retrospective conversion", was completed at the end of the year. Library customers will be able to search the collection on a computer and books will be checked out using a bar code system once the on-line catalogue is sent back and in place. The board of trustees extends thanks to all who labored so diligently to ready the library for the 21<sup>st</sup> century.

While thanks are being given out, the board and staff of the library extend grateful thanks to all who have volunteered at the library this year. The work done by the volunteers spans a variety of tasks, increasing the quality and quantity of library services that can be offered. Eli Badger worked with Sara Weinberg, the library's director, to create a website for the library. Many thanks, Eli, for volunteering your time and talent. Worldpath, an internet service provider, gives libraries access to the internet free of charge. Another great contribution from the business world! The address is [www.worldpath.net/~ashtnlib](http://www.worldpath.net/~ashtnlib). Log on to the home page to be informed of all the latest news from the library.

Today's libraries are vibrant and alive, humming with activity and extending programming and services to the community in many ways. During 1999 the Ashland Library was no exception. Here are a few of the highlights. Both an ongoing book discussion group and an ongoing visiting author series were introduced; a six week after school program and a six week summer reading program were offered which included story tellers and a presentation by the American Legion pertaining to flag etiquette.

Organizations and Businesses provided many benefits this year. The trustees of the Scribner Trust, who maintain the building that houses the library, totally refurbished the children's room. The newly decorated and revamped space is more efficient and more welcoming as a place for children to enhance their relationship with good books and to learn the value of the library to their lives. Meredith Village Savings Bank donated a season pass for the Science Center, which could be checked out like a book. The pass provided free admission for up to 4 people at one time. The Pauline Packard Trust provided a pass to the Christa McAuliffe Planetarium. NH State Library in conjunction with NH Works provided a computer. Ashland Woman's Club provided \$130.00 worth of books. McDonald's provided gift certificates for awards in the summer reading program. Many individuals donated books and other materials for the collection and for the book and bake sale. Sincere thanks go to all that give so generously to the community through the library.

The library arranged with the elementary school for anyone wanting to donate a magazine subscription to the library to be able to do so in conjunction with the middle school students' magazine drive in the fall thus benefiting two places at once. It was difficult to publicize that opportunity other than in the paper. Thank you to those who participated. It is hoped that during the 2000 drive more people will be aware of this opportunity to gift the library with their favorite magazine.

Among the services offered to the community is a monthly delivery of library materials to the Highland Street Apartments. It is often difficult for the residents to get out to go to the library so the library goes to them. Similarly, library materials are often delivered to shut-ins elsewhere in the community. Library Services to Persons with Disabilities is a program sponsored in conjunction with the State Library which provides large print books, Braille materials, and audio tapes. Additionally, the library is gradually increasing its own collection of audio materials such as books on tape and music tapes, as well as large print books. Another important services is Inter-Library Loan. By working through the state library ILL program, library materials can be

requested from any public library in the state for loan to Ashland's library users. This service is particularly helpful, as not every library can own every item a customer may need. After completing a computer class offered by the State Library, Sara Weinberg conducted classes for beginning computer users at the Ashland Library.

For some years now the State Library has been working to create a set of standards for all libraries in the state in an effort to improve the quality of library service and collections. The board of trustees of the Ashland Town Library have been taking the steps necessary to come into compliance with the standards set for a library of the size of Ashland's, (based on population). Services such as the Inter-Library Loan and others will soon be offered only to accredited libraries. Also benefits such as grants are more readily available to accredited libraries. It is the goal of the board of trustees to be ready to apply for accreditation during the year 2000 in order to continue to offer vital services as well as to be able to expand the scope of offerings available.

As more residents and visitors utilize the library the more it becomes a vital place in our town. The board of trustees and staff of the library are proud of the accomplishments of 1999. We urge you to become active users of this valuable service to which you contribute your tax dollars. Come in and see for yourselves what a useful place the library can be.

SEE YOU SOON AT THE LIBRARY!

CIRCULATION AND ATTENDANCE STATISTICS FOR 1997,1998,1999			
YEAR	REGISTERED PATRONS	ATTENDANCE	CIRCULATION

## LAND USE BOARDS

---

### **ZONING BOARD OF ADJUSTMENT ZONING BOARD OF APPEALS**

This year 1999 was a decisive year, the Board granted two Special Exceptions, one to Alexander Emerson and Andrew St. Godard for relief from parking restrictions and one to James Buckland allowing expansion of his building in regards to the set back requirements.

The Board is in the process of reviewing policies and procedures, hoping to make the Board more responsive to the community's needs and easier to deal with. To help applicants denied by the Planning Board, the Zoning Board has moved its meetings to the fourth (4) Thursday of each month at 7:00 PM, which allows the applicant to be able to submit his/her application for appeal and the Zoning Board to be able to notify the abutters (abutters must be notified 15 days before the scheduled meeting). The meetings are being held at the school cafeteria. The Board raised its application fee to \$90.00 this year to more accurately reflect the cost of holding a meeting. Several meetings this year has to be cancelled because of lack of a quorum.

Ellison L. Badger, Chairman

### **PLANNING BOARD**

1999 was a fairly busy year for the Ashland Planning Board. During the year we provided information to 16 individuals seeking information on a property matter. The Board addressed 10 applications, including several applications for special exception based on the current reading of Section 7.1 of the Zoning Ordinance and reviewed the town's plan for Thompson Street. The Board pursued 3 enforcement actions. This year was also focused on training and members of the Board attended classes on land use issues. Board members also studied and made changes to its applications and the master plan, drafted revisions to the zoning ordinance and site plan review regulations, including adding a chapter dealing with communication towers. The Board created a subcommittee to focus specifically on rewriting the various ordinances with an emphasis on improving clarity and consistency.

Robin Fisk, Chair

## ASHLAND HISTORIC COMMISSION

---

As we enter a new century and millennium, with the calendar turning 2000, we think of the future and the wonders that will come with the next hundred years. What will Ashland be like when Y3K becomes a problem. Throughout the century men and women have worked hard making Ashland the pleasant New England town it is today. Preserving our Ashland history with the help of independent organizations and citizens keeps is vital.

Ashland provides for the preservation of our historic, abandoned cemeteries, with clean up and minor repairs to some of the older stones at the following seven locations which are prepared for Memorial Day visitors:

1. The Church Hill Cemetery (several hundred feet off Rte 175)
2. Ruben Whitten Cemetery (Highland Street)
3. Hicks Hill Cemetery (Hicks Hill Road)
4. The Mooney Cemetery (Thompson Street)
5. Owl Brook Cemetery (Owl Brook Road)
6. Baker Cemetery (Near water tower)
7. Howe-Clark Cemetery (Leavitt Hill)

The Grafton County Historic and Genealogy Society (Ashland Chapter) now in its 12<sup>th</sup> year has held regular meetings since 1988. Public use of the files is encouraged by the society and is available at the Ashland Town Library.

Our Ashland Historical Society has labored year after year to preserve our history. 1999 has seen many worthy projects completed, in particular the ongoing restoration of our wonderful Civil War Monument.

Claire Hicks  
Marilyn Rollins  
Robert Hicks, Chairman

---

## ASHLAND CIVIL WAR MONUMENT COMMITTEE

---

This year, the Ashland Civil War Monument reached the one hundredth anniversary of its dedication on Memorial Day in 1899. But as its centennial approached, it became obvious that the monument needed restoration. The Ashland Historical Society, Ashland Woman's Club and the Town of Ashland therefore funded a conservation assessment of the monument by Daedalus, Inc, an art conservation firm of Cambridge, MA. Conservator Clifford Craine, president of Daedalus, examined the monument in November of 1998 and subsequently reported that the bronze statue and the four bronze plaques were corroding from exposure to acid rain and snow. The metal was starting to pit and needed to be restored and protected from further deterioration. He also pointed out that the granite needed cleaning. The monument was missing the four granite balls that once decorated the base. Three balls had been taken by persons unknown one night in the early 1980's, so the last was removed for safekeeping.

In response to the report, the Ashland Historical Society, at a special meeting in late January of 1999, voted to ask the selectmen to place on the warrant of the annual town meeting an article appropriating \$6000 for an expendable trust fund for the monument's restoration. The selectmen agreed and the article was approved by the voters in March. This appropriation was intended to cover only part of the cost of the restoration. The remainder was to be raised privately. So the Historical Society invited other groups to join in the fundraising effort. The Ashland Woman's Club, the Squam Lake Grange, the Ashland Rebekahs, the Dupuis-Cross American Legion Post and Auxiliary all agreed to join the Society. The six organizations formed the Ashland Civil War Monument Committee.

The private fundraising was quite successful. The Ashland Woman's Club sponsored a Memorial Day concert of Civil War music by local musicians, which raised \$401 in donations. The most profitable fundraiser was the Duck Derby held on the Squam River on August 7, as part of Day in the Park. Many volunteers spent much time and effort soliciting prizes, advertising the event, running the actual race, and, most importantly, selling tickets. Thirty-three area businesses donated prizes. The Duck Derby netted \$5471 for the Civil War Monument Fund. The Fund has also received direct donations from individuals, businesses, organizations and groups that totaled \$1989 as this report was written in mid-December. Another \$150 in contributions have been pledged. It now appears that there will be enough money in the private fund and the town appropriation to cover the projected costs of the restoration, barring unforeseen expenses.

The Committee thanks all of the volunteers who helped to make our fundraising such a success and all the donors who contributed their money and other gifts for the preservation of the monument.

One stroke of good fortune was the discovery by Kendall B. Hughes of one of the missing granite balls under the porch of the house he had recently purchased on Thompson Street, not far from the monument. The Committee has offered a reward for the return of the other two missing balls, or for information leading to their return, but, so far, they have not been recovered.

The first step in the restoration was taken in October when Pemi Baker Memorials cleaned the granite. Few of us appreciated how dirty the granite had become after a century of grime and dirt until the stone was cleaned. The firm, owned by the Paquette family, gave a generous discount on the bill, which was paid from the Civil War Monument Fund.

Daedalus Inc. will restore the bronze statue and plaques in the year 2000. The restoration will start with the removal of the loose corroded material on the surface by high-pressure water or by blasting with walnut shell powder. The bronze will be repatinated with chemicals and heat, restoring the original rich brown color. The metal will then be protected by coats of lacquer and a coat of wax. These coatings will protect the bronze from further corrosion. The work on the statue will require the erection of scaffolding around the monument by a professional scaffolding company. (Town workers will dismantle the scaffolding.) If the missing granite balls are not found, duplicates will be ordered from a specialty granite firm in Barre, Vermont. Pemi Baker Memorials has offered to install the balls on new pins, with modern cements, at no cost.

The Ashland Civil War Monument should begin its second century restored to its original appearance. It will again be a proper tribute to the eighty-three Ashland men listed on its plaques, and particularly to the twenty-two men who died in the service of their country and the cause of freedom in that tragic conflict.

David Ruell

---

# ASHLAND HISTORICAL SOCIETY

---

1999 was marked by the opening of the Ashland Railroad Station Museum, 150 years after the railroad was first built to what was then Holderness village. The grounds were landscaped with new lawns and improved drainage. Ties and rails were moved to make the edges of the lawns and parking areas. A large sign was erected on the street. The items in our railroad collection were cataloged and displayed. An authentic railroad stove was installed in the ticket office. Other items donated to the station collection included an engineer's telephone box which was displayed on a post next to the track and a penny scale that was once used in the Ashland station, as well as many other fascinating railroad artifacts. A filing cabinet was purchased and window shades installed. Chairs have been donated for the meeting room. A lease agreement was signed with the State of New Hampshire for use of the land under the station platform.

The station museum was dedicated with a grand celebration on June 26. The museum was opened to hundreds of visitors. A train of cabooses and a Pullman car were parked at the station for the weekend event. The rear platform of the Pullman car was used for the two dedication ceremonies, featuring Executive Councilor Ray Burton and former Secretary of Transportation and presidential candidate, Elizabeth Dole. Mrs. Dole's participation attracted national media attention to the event. Local musicians provided entertainment throughout the day, and hundreds took advantage of the free train rides offered by the society. (The train rides were paid for by a fundraising dinner in April and donations from area businesses.)

The new museum was open on Saturdays throughout the summer. The station was the starting point for a turkey dinner train ride in September. On Saturdays in the fall foliage season, many bought tickets at the Ashland station for trips on the Hobo Railroad trains to Livermore Falls and back. These events and continued sales of Yankee magazine subscriptions added to our railroad station fund for future improvements to the station, which will hopefully include a heating system some day.

The two other museums also operated during the summer. The Whipple House's streetside fence, the board fence between the two museums, and half of the Toy Museum's picket fence, were painted. As this is written in December, part of the Whipple House roof is being resingled. A fund for painting the Toy Museum was started with a donation from the MacMillan Foundation.

The Toy Museum received some useful publicity when it appeared on Channel 5's Chronicle program. The annual Children's Art Show was displayed at the Toy Museum in May, and the Young Ladies Tea was held there in July. The annual Flea Market was held on the Whipple House grounds in August. In the fall, a committee began reviewing the layout of the Whipple House Museum and the cataloging of its collection.

As usual, the Society had a full slate of programs open to the public. Local history was explored in programs on the Railroads of Ashland, the centennial history of St. Agnes parish and the Ashland news of 1899. The Civil War Monument restoration project prompted programs on New Hampshire's Civil War public outdoor sculpture and on soldiering in the Civil War. Robert Frost's New Hampshire was discussed by UNH professor David Watters. The annual Christmas party was a potluck supper following a caroling ride on a horse-drawn wagon through the village streets.

The Society and its members played active roles in the Ashland Civil War Monument restoration project, described in another report. The Society twice appealed to the School Board to preserve, not demolish, the two vacant school buildings, particularly the older elementary school. The elementary school is a building of statewide importance, one of the best examples of its style of school architecture in New Hampshire, and a prominent local landmark since its construction in 1877-78. The Society hopes that new uses can be found for the two buildings. The Historical Society also joined with the Ashland Conservation Commission to obtain signatures for a petitioned warrant article asking the voters in March to send a resolution to the legislature in support of a new permanent statewide matching grant fund for land conservation and historic preservation projects. We hope that you will give this proposal serious consideration, as it would make money available for such projects in our area and throughout the state.

We thank all of the volunteers who worked in our museums and at our events throughout the year, and all who have contributed to our collections and our efforts to preserve and display Ashland's history.

David Ruell, President

---

# UNH COOPERATIVE EXTENSION – GRAFTON COUNTY

---

UNH Cooperative Extension is a unique partnership among the Federal, State and County Governments who provide the funding and support for this educational outreach component of the University of New Hampshire. With an extension Office in each New Hampshire county and campus-based specialists we serve the entire state.

Our education programs are designed to respond to the local needs of county residents through the direction and support of a volunteer advisory council. Our current programs focus on:

♦ Dairy and Pasture Management ♦ Agriculture Profitability and Nutrient Management ♦ Forest and Wildlife Habitat Management and Stewardship ♦ Nutrition, Food Safety, Parenting and Family Financial Management ♦ Positive Youth Development ♦ Water Quality Education ♦ Family Lifeskills Program (LEAP/LIFT) ♦ After School Programs

The Extension Staff of seven works out of North Haverhill but we travel to all areas of the county. Three other grant-funded staff members provide programs through satellite offices in Plymouth, Littleton and Lebanon. Information and education are presented through phone calls, farm/office/home/agency visits, the media, workshops and educational series. Volunteers help expand our efforts through the Master Gardeners Program, 4H Clubs, and the Coverts Project. Our work is supported by an office staff of three.

Here are some ways that local residents benefited from the work of Cooperative Extension. Residents receive a bi-monthly newsletter highlighting upcoming events as well and looking at some of the research that affects individuals, families and communities. Parents receive our aged-paced newsletters, Cradle Crier and Toddler Tales, that chronicle the early years of a child's life. Research on soils and nitrates has reduced the amount of fertilizers being applied to local farmlands, thereby reducing the chance of runoff into local streams, rivers or water supplies. Forest Management plans help local landowners and those employed in the forest industry preserve the beauty of our local woodlands that draw thousands of tourists to our area. Youth across the county work with adult volunteers learning important life skills through our 4H program. An after-school project in North Haverhill is being evaluated by UNH professors. The information from this project will help to improve other local after-school programs. Water Quality events around the county allow residents an opportunity to learn how they can help keep their water clean and how agencies across the state are working toward that goal. Families with limited resources have access to nutrition and financial education to help them stretch their food dollars, thereby providing a more balanced diet for our young children. Cooperative Extension staff serve as resources to residents and agencies throughout the county. Homeowners concerned about their plants, trees and grounds get quick identification and control guidelines. Communities interested in improved decision making receive support from Cooperative Extension. Agriculture businesses receive help with business plans, marketing, computer usage and diversification.

Here in Grafton County the office is located on Route 10 in North Haverhill in the Grafton County Courthouse. We are open from 8 AM until 4 PM Monday through Friday. You can reach us – by phone 603-787-6944; fax 603-787-2009; email [grafton@unhce.unh.edu](mailto:grafton@unhce.unh.edu) at our office in North Haverhill; or through our UNHCE Web site <http://ceinfo.unh.edu>. We believe that our job is to provide residents of your community and Grafton County with the education and information they need to make informed decisions to strengthen youth, families and communities, sustain natural resources and improve the economy.

Deborah B. Maes  
Extension Educator/County Office Administrator

---

# NOTES - RAYMOND BURTON, EXECUTIVE COUNCILOR

---

It is a pleasure to report to you as one of your elected officials serving on the five-member Executive Council within the Executive Branch of your NH State Government. This five-member elected group acts much like a board of directors for your very large NH State Government carrying out the law and budget passed by the NH House & Senate and signed into law by the Governor. We also act upon gubernatorial nominations to the entire Judicial Branch of your Government, State Supreme Court, Superior Court, Probate Court, District Court all are nominated by the Governor, a posted public hearing must be held by the Council and then a vote to deny or confirm the nomination is held. Persons interested in serving on a volunteer board or commission should contact Kathy Goode at the Governor's Office, 271-2121.

This is a brief list and quick reference of some of the available services from NH State Government for citizens looking for financial and technical assistance and general information.

Adjutant General John Blair (Army and Air Guard of NH) 271-1200

Community Presentations on Drug Demand Education

Director Bruce Cheney of NH Emergency E-911 Office 271-6900

Mapping services to towns, tours and presentations available

Director Art Haeussler of the State and Federal Surplus 271-2602

Informative newsletter about surplus foods, products, etc

Commissioner Steve Taylor, NH Dept of Agriculture 271-2561

Information on restoring old barns, controlling pests, has NH Weekly Market Bulletin available

Attorney General Phil McLaughlin 271-3658

Financial grants for domestic violence, victim assistance, consumer protection bureau

Consumer Advocate Mike Holmes (Public Utilities) 1-800-852-3793

Handles complaints about electric bills, phone bills, etc

NH Director of Prison Industries Dennis Race 271-1875 - Available products in furniture, data entry, signs, decals, car repair, printing and web page development

NH Director of Historical Resources Nancy Dutton 271-3558 - Consults, has information about historic structures, preservation, laws and regulations

NH State Librarian Mike York 1-800-499-1232 Services for persons with disabilities, electronic information, archives, political library

NH Director of Emergency Management Woodbury Fogg 1-800-852-3792

Inquiries about ice jams, floods, high winds, oil spills, big fires etc

NH Employment Security Comm. John Ratoff 1-800-852-3400 - Finds employees, trains them, keeps them working

NH Environmental Services Comm. Robert Varney 271-3503 - Air resources, waste management (dumps/landfills) water/sewers, wetlands permits, river management

NH Fish and Game Dept. Director Wayne Vetter 271-3421 - hunter education, public boat launches, wildlife centers

NH Health & Human Services Comm. Don

Shumway 1-800-852-3345 - public health, aids info, mental health, youth and families, long-term care, disabilities, elderly services, ombudsman

NH Insurance Dept. Comm. Paula Rogers 1-800-852-3416 - processes complaints about insurance fraud

NH Labor Department Comm. Jim Casey 1-800-272-4353 - handles complaints about wage and hours, worker's compensation, vocational rehabilitation

NH Community Technical College System Comm.

Glenn DuBois 1-800-247-3420 - programs for college credits, scholarships, at the seven-campus system

NH Dept. of Resources & Economic Dev. George

Bald 271-2411 Info on all state parks, ski areas, maps, camping reservations

NH Department of Safety Comm. Richard Flynn 271-2791 - fire safety standards/training, motor vehicle registration, boating safety, state police

NH Secretary of State William Gardner 1-800-562-4300 - Corporate name department, records management/archives, securities regulation

NH Dept of Transportation Leon Kenison 271-3734 - NH airports, bridges, highway design, public transportation, railroads, public works

NH Veterans Council Dir Dennis Viola 1-800-622-9230 Advocate for veterans and families

NH Veterans Home in Tilton Commandant Barry Conway 286-4412 - home for veterans with approved care and rehabilitative services

NH Youth Services Dept Comm. Peter Favreau 271-5942 - youth center in Manchester, Detention Center in Concord, Tobey School for Youth

**All of NH State Government is accessible through 271-1110; NH Webster System at <http://www.state.nh.us> or call my office 271-3632; email [rburton@gov.state.nh.us](mailto:rburton@gov.state.nh.us)**

# LAKES REGION PLANNING COMMISSION

---

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems and mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. LRPC was called upon many times each day to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us for a linkage to the communities in the Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- ♦ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issue.
- ♦ Performed substantial research leading to the publication of the **Lakes Region Scenic Byway Corridor Management Plan**. The plan is a guide for local communities interested in maintaining or enhancing the qualities of a scenic byway.
- ♦ Completed an assessment for a regional household hazardous waste collection center for the Lakes Region. Conducted a regional meeting as a follow-up.
- ♦ Completed the 1999 update to the **Regional Transportation Improvement Program**. The regional TIP is used by the NH Department of Transportation to prepare the biennial update to the State Ten-Year Plan.
- ♦ In cooperation with the NH Department of Environmental Services, LRPC completed the second year of community outreach that sought priority natural, cultural and historic resources in all communities. Over 1300 features have been identified.
- ♦ Maintained the Regional Census Data Center, an extensive database of demographic and socioeconomic data on the region, state and the U.S.
- ♦ Coordinated the 14<sup>th</sup> annual Household Hazardous Waste Collection (HHW), the largest single day, multi-site collection in New Hampshire. Renewed efforts to include a permanent HHW Collection Center.
- ♦ Continued area commission meetings to facilitate opportunities for local communities and commissioners to discuss regional projects and priorities, and the role of the commissioner.
- ♦ Provided administrative support to the Advisory Task Force concerned about the relocation of a section of NH Route 140 in the town of Belmont. The Task Force includes members from neighboring communities.
- ♦ Provided information, including local regulatory recommendations, to communities about the National Flood Insurance Program.
- ♦ Enhanced LRPC's Web Site, [www.lakesroc.org](http://www.lakesroc.org) for the delivery of timely information to our members and the greater public. The web site contains information on meetings and schedules, current LRPC activities, as well as extensive traffic count and socioeconomic database. There are approximately twenty-seven requests a day from the web site.
- ♦ In cooperation with the NH Department of Transportation, the LRPC assumed a major role in conducting an extensive traffic data collection program in all area communities.
- ♦ Fulfilled regional efforts leading to the completion of the **Route 16 Corridor Study**. This report includes several innovative transportation and land use recommendations that can benefit all communities.
- ♦ Maintained staff support for the Pemigewasset River Local Advisory Committee. The committee is continuing efforts to prepare a corridor management plan. It is anticipated for completion next year.
- ♦ Convened two citizen educational workshops: one on the location of cellular towers, and the other on preparing and implementing a successful community survey.
- ♦ Initiated research on regional commercial, industrial, and residential development trends.

# WHOLE VILLAGE FAMILY RESOURCE CENTER

---

The Whole Village Family Resource Center is comprised of sixteen health and social service agencies committed to collaborating together to provide families and individuals from the 17 towns of the Plymouth District Court Area, as well as New Hampton and Sandwich, with better, more comprehensive services. Despite this common goal, it must be recognized that these are all *autonomous* organizations, each with its own governing body, budget and funding initiatives. All the agencies have unique and invaluable strengths on their own, but by combining efforts with other Whole Village agencies many new possibilities for innovative and integrated service provision have been, and continue to be, created.

The Whole Village Parent-Child Program is a prevention-based program, which provides support to families and educates parents to meet the challenges of raising safe, healthy children who will thrive. Parent-Child has two tiers of support for families with children ages five and under. The first level, providing more intensive family support, has a special emphasis on equipping very young parents for their responsibilities as parents, providers, and positive role models for their children. The second level of family support is provided in varying degrees for all others raising children ages 0 to five. The program enlists the expertise of staff within each of the agencies to benefit all families.

Of the 242 families who accessed Parent-Child services in 1999, seventeen were from Ashland.

Parent-Child Program activities include:

- ◆ Weekly Play and Learn Group
  - ◆ On-site respite child care for children while their parents visit Whole Village
  - ◆ Welcome Baby! Newborn home visiting program
  - ◆ Family Fun Events
  - ◆ Support Groups
  - ◆ Parenting education classes
  - ◆ Special topic parenting series
  - ◆ Information and referral
  - ◆ The *Firsts Books* Program with New Hampshire Public Television
  - ◆ Intensive Support Program for Teen Parents
- 
- ◆ GED preparation course for parents (child care & transportation provided)
  - ◆ Family support visits for young parents
  - ◆ Transportation
  - ◆ Social service and medical advocacy
  - ◆ Great Beginnings (nutrition program) through UNH Cooperative Extension Expanded Food and Nutrition Education (EFNEP) Program

*Report Provided by  
Whole Village Family Resource Center*

# FINANCIAL REPORTS

---

## TOWN CLERK'S REPORT

---

The following is an unaudited statement of receipts from the Town Clerk to the Town Treasurer for the year ending December 31, 1999:

Motor Vehicle Permits and Title Fees	\$216,801.00
Dog Licenses and Penalties	3,035.00
Vitals Record Fees, Marriage Licenses	1,164.00
Filing Fees, UCC Recordings	1,824.06
Commercial Hauler Permits	430.20
Dog Fines	20.00
Total turned over to Town Treasurer	\$223,274.26

I would like to remind dog owners that the 2000 tags are now available. The fees are: \$9.00 for non-spayed/neutered; \$6.50 with proof of spaying/neutering; \$2.00 for the first dog with an owner over 65; group license for persons with 5 or more dogs is \$20.00.

Patricia Tucker  
Town Clerk

## REPORT OF TRUST AND CAPITAL RESERVE FUNDS

City/Town ASHLAND

For Year Ended 1999

### CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief.

Signed by the Trustees of Trust Funds

on this date \_\_\_\_\_

### REMINDERS FOR TRUSTEES

**1. INVESTMENT POLICY** - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.

**2. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information.

Attributable expenses may be charged against the trust funds involved. Per recommendation of the Attorney General's Office, any charges in excess of 8% of the trust fund income must be charged to the general fund. Please list these expenses on the bottom of pages 2-3 of the MS-10 form and in the appropriate column on the MS-9 form.

**3. WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division .  
<http://www.state.nh.us/oag/char.html>

**4. FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.

**5. CAPITAL RESERVE FUNDS** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).

**6. WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

Board of Selectmen  
Town Office  
Highland Street  
Ashland, New Hampshire 03217

Dear Selectmen:

We are in the process of finalizing the Special Audit Report for the Tax Collector for the year ended December 31, 1997 and anticipate meeting with the Board to present our final report before the end of January. The work for the Special Audit Report of the 1998 Tax Collector activity is now being completed on site at the Town Office. In addition, we have received the requested data from the bank for the 1999 Tax Collector audit and are in the process of completing our on site work on that at the Town Office.

The 1996 audited financial statements and internal control and compliance reports are in the process of being prepared and then reviewed and will be presented in draft format to the Board as soon as they are completed.

As we had discussed previously, the audit work on site for 1997, 1998 and 1999 will begin once the Special Audits requested by the Board are completed. Adjustments still need to be entered for the Tax Collector's information based upon the findings of the 1997 Special Audit. Once these are done, then we can do the 1997 financial audit work on site. The 1998 and 1999 financial audits would follow the same scenario with all other balance sheet accounts needing to be reconciled at year end by the Town or MRI.

As I have discussed in previous meeting with the Board, we will issue each audit in draft format for the Board's review and will issue the final audits for all of the audit years 1995 to 1999 at the same time.

If you should have any additional questions, please call me at our Concord office.

Sincerely,

John E. Lyford, CPA

**2000  
ASHLAND  
TOWN WARRANT  
AND  
BUDGET**

# **Ashland Town Warrant 2000**

## **The State of New Hampshire**

To the Inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Ashland Public School Gymnasium in said Town on Saturday, February 12, 2000 at 1:00 p.m. to act upon the following Articles. Vote of official ballot will take place on March 14, 2000. Polls will be open from 9:00 a.m. and will close no earlier than 7:00 p.m.

### **Article 1:**

To see if the Town will vote to change the name and purpose of the existing Parks & Recreation Building and Equipment Capital Reserve Fund to the Parks and Recreation Skating Rink Capital Reserve fund. (Recommended by the Board of Selectmen and Budget Committee) (2/3 Vote Required)

### **Article 2:**

To see if the Town of Ashland will accept the streets, drives, lanes or ways; namely, Squam Shore Drive, Squam Lane, Wildwood Drive and Island Drive, as public ways and that they be maintained, improved, and serviced as appropriate or necessary, just as any other public way in the Town; or to take any other action that may be necessary to accomplish the purpose of this article. (Petitioned article) (Majority Vote Required)

### **Article 3:**

To see if the Town will vote to raise and appropriate the sum of Twenty Two Thousand Dollars (\$22,000) for the payment of the Town's portion of the Lakes Region Mutual Aid: Communication Building Project, with the amount of Twenty Two Thousand Dollars (\$22,000) to be withdrawn from the Fire Department Equipment Capital Reserve Fund. (Recommended by the Board of Selectmen and Budget Committee) (Majority Vote Required)

**Article 4:**

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the purpose of Phase I upgrade of the Fire Department's Radio Equipment in order to be compatible with the new Lakes Region Mutual Aid: Communication System, with Five Thousand Ninety-Nine (\$5,099) plus interest to date to be withdrawn from the Fire Department Equipment Capital Reserve fund and the balance of up to Four Thousand Nine Hundred One Dollars (\$4901) to be raised through taxation. (Recommended by the Board of Selectmen and Budget Committee) (Majority Vote Required) A "YES" vote will discontinue this fund.

**Article 5:**

To see if the Town will vote to change the name and the purpose of the existing Highway Department Equipment Capital Reserve Fund and it shall thereafter be known as the Fire Department Radio Equipment Replacement Capital Reserve Fund. (Recommended by the Board of Selectmen and Budget Committee) (2/3 Vote Required)

**Article 6:**

To see if the Town will vote to raise and appropriate the sum of Twenty Six Thousand Dollars (\$26,000) for the purpose of purchasing and outfitting a police cruiser by withdrawing all funds from the police department equipment capital reserve fund in the amount of Twenty Thousand Eight Hundred Forty Dollars (\$20,840) plus interest to date and the balance shall be raised by taxation, up to maximum of Five Thousand One Hundred Sixty Dollars (\$5,160). A "YES" vote will discontinue this fund. (Recommended by the Board of Selectmen and Budget Committee) (Majority Vote Required)

**Article 7:**

To see if the Town will vote to raise and appropriate the sum of Forty One Thousand, Nine Hundred Twenty Five Dollars (\$41,925) for the purpose of employing a Recreational Director and operating a summer camp program and other special activities (Anticipated Revenues of \$15,600.00 will be produced by the program and results in a projected cost to the taxpayer of \$26,325). (Recommended by the Board of Selectmen and the Budget Committee) (Majority Vote Required)

**Article 8:**

To see if the Town will vote to authorize the Board of Selectmen to negotiate and transact the sale of the assets of the Ashland Electric Company with the proceeds from such sale to be used to offset the general fund deficit. (Recommended by the Board of Selectmen) (Majority Vote Required)

**Article 9:**

To see if the Town will vote to authorize the Board of Selectmen to sell a parcel of town owned property located in said town on Washington Street, listed as tax map, 017-013-008, described as .402 acres and presently assessed at a value of \$5500 on such terms and conditions as the Selectmen deem appropriate. (Recommended by the Board of Selectmen and Budget Committee) (Majority Vote Required)

**Article 10:**

To see if the Town will vote to authorize the Board of Selectmen to sell surplus or obsolete supplies and equipment by public auction or sealed bid or transfer items of historical significance to the Ashland Historical Society without further vote of the Town and until rescinded by Town Meeting. (Recommended by the Board of Selectmen and the budget committee) (Majority vote required)

**Article 11:**

To see if the town will vote to rescind Article 7 adopted by vote of the 1999 town meeting, and in its place vote to establish a committee, to be known as the Trustees of Ashland Memorial Park, to have the responsibility of managing the land and structures thereon known as Ashland Memorial Park and abutting land (all described on the respective deeds as recorded at the Grafton County Registry of Deeds in Book 2155, Page 649, and Book 1099, Page 430 (Ashland Memorial Park Areas) and in Book 1077, Page 598, (Flag Pole Area), and in Book 1099, Page 429, (Water Trough Area).

And to further authorize that all funds in the possession of the Town, now and hereafter, that are dedicated for the purpose of the care, maintenance, and protection of the Ashland Memorial Park (and abutting stated areas) be used and administered in accordance with the terms and conditions of the Ashland Memorial Park Trust and the general purpose as stated herein (or as otherwise directed by any specific "gift");

And to further authorize that the said Ashland Memorial Park Board of Trustees shall consist of four (4) members who shall be appointed by the Board of Selectmen, initially with two such members for terms of two (2) years, and two (2) such members for terms of (3) years, and thereafter all to serve terms of (3) years; and that the first appointments by the Board of Selectmen shall consist of members of the current Ashland Memorial Park Committee; and that the Board of Selectmen shall have the power to fill any vacancies for unexpired terms:

And to further authorize that said Trustees shall account for the receipts and disbursements and improvements to the Ashland Memorial Park properties annually to the Board of Selectmen, and at such more frequent times as said Board of Selectmen may require; Said Trustees shall give bond to the Town for the faithful discharge of their duties in such amount and with such surety as said Board of Selectmen may deem necessary and approve. (Recommended by the Board of Selectmen and the Budget Committee) (Majority Vote Required)

#### **Article 12:**

To see if the Town will vote to continue the funding of Police Coverage on a 24 hour per day, 365 day per year basis. Non-binding.

#### **Article 13:**

To see if the Town will vote to require the Board of Selectmen to ensure that the Town's Annual Audit Report will be completed within the year following the close of the Town's fiscal year and that the auditors overview be printed in each Annual Town Report. (Recommended by the Board of Selectmen and Budget Committee) (Majority Vote Required)

#### **Article 14:**

To see if the Town will vote to apply any funds recovered through insurance claims or litigation process directly against the general fund deficit. (Recommended by the Board of Selectmen and Budget Committee) (Majority Vote Required)

#### **Article 15:**

Shall the Town of Ashland raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$6,044,066. Should this article be defeated, the operating budget shall be \$6,313,274.00, which is the same as last year, with certain adjustments required by previous action of the Town of Ashland or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. (Recommended by the Budget Committee)

#### **Article 16:**

To see if the Town will vote to accept the Reports of its Boards, Commissioners, Committees and Officers for the year 1999 subject to corrections of errors when and if found. (Recommended by the Board of Selectmen) (Majority vote required)

#### **Article 17:**

Shall the Town limit the police force to no more than one full-time officer for each 500, or portion thereof, permanent residents of the Town of Ashland. (Petitioned article)

#### **Article 18:**

To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources are worthy of protection and therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources. (Petitioned article) (Majority Vote Required)

#### **Article 19:**

Shall we rescind the provisions of RSA 40:13 (known as SB 2) as adopted by the Town of Ashland on March 9, 1999 so that the Official Ballot will no longer be used for voting on all questions, but only for the election of officers and certain other questions for which the official ballot is required by State Law? (Petitioned article) (3/5 vote required)

## **Article 20:**

Shall the Town vest the management, control, and direction of the municipal electric system in a board of electric commissioners to consist of three citizens of the Town, such commissioners having full power and authority and duty to manage, control, and direct the electric system and having terms of office of three years (except for terms of the first commissioners of one, two and three years, respectively) to be elected at the Annual Meeting of the Town of Ashland in the year 2001. (Petitioned article) (Majority Vote Required)

## **Article 21:**

To choose all of the following officers for the year ensuing:

- (a) One Member of the Board of Selectmen for 3 years
- (b) One Town Treasurer for 1 Year
- (c) One Town Moderator for 2 Year
- (d) One Town Trustee for 3 Years
- (e) One Town Trustee for 1 Year
- (f) One Library Trustee for 3 Years
- (g) One Supervisor of the Checklist for 6 years
- (h) Four Members of the Budget Committee for 3 Years

## **Article 22:**

Are you in favor of the adoption of amendment #1 to the Ashland Zoning Ordinance as proposed by the planning board to regulate the placement, maintenance and eventual removal of wireless communication towers and devices? The amendment prohibits communication towers in the Little Squam Overlay District and the Pemigewasset Overlay District, and allows them in other areas of town if the specific proposal complies with the standards contained in the amendment which are designed to minimize the impact of such communication towers and devices. *Federal law prohibits towns from adopting ordinances that ban communication towers or communication devices, but does allow towns to regulate their placement, maintenance and removal.* (Majority Vote Required)

**Article 23:**

Are you in favor of the adoption of amendment #2 to the Ashland Zoning Ordinance as proposed by the planning board, as follows: to delete the last sentence of section 7.1 which incorrectly states that the planning board may decide whether permits have been properly issued when, in fact, the zoning board of adjustment has the authority under State law? (Majority Vote Required)

**Article 24:**

Are you in favor of amending the Town of Ashland Building Regulations as proposed by the Planning Board to upgrading the building codes to the 1999 BOCA Basic Building Code, to the 1997 Life Safety Code and to the 1997 National Fire Prevention Code. (Majority Vote Required)

**Article 25:**

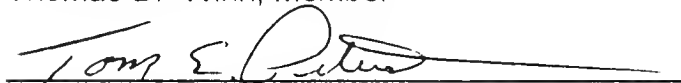

To transact any other business that may legally come before said meeting.

OF: ASHLAND NEW HAMPSHIRE

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED  
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2000 to December 31, 2000

or Fiscal Year From \_\_\_\_\_ to \_\_\_\_\_

### IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the above address.

### BUDGET COMMITTEE

Please sign in ink.

John M. Murphy  
James Allen  
James G. Pappas  
Michael J. King  
Ed J. Hall  
Cowline M. Boyle

DATE: January 18, 2000

Alan J. Cibley  
Robert A. Boyle  
Thomas E. O'Brien  
E. H. Dubois

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

1 2 3 4 5 6 7 8 9
